Strengthening Families—Casa Nazaret

The Casa de Nazaret support group meets twice a month. Its mission is to assist parents and youth in becoming a more cohesive family unity. It provides family counseling as well as college and job preparation assistance to the youth.

This is a project that is focused on the Hispanic community of St. John the XXIII and the Hispanic community in the Greater New Haven area. The leaders gave a workshop at the Office's annual Social justice conference.

Leadership Development

Several projects support Youth Ministry Leadership Development. Teens take the lead in running parish based projects such as community outreach or summer Bible camps as shown here in the photo from Church of the Assumption, Ansonia.

Cooperative Parish Sharing

The Office for Catholic Social Justice Ministry (OCSJM) collects voluntary **pledges** from parishes, then distributes funds in the form of **grants** to eligible low-income parishes to enable them to develop and sustain projects to address local community problems. The OCSJM provides guidance and assistance in the implementation of parish projects.

**The generous support of YOUR PARISH
makes the work of CPS possible.**
