

## UNIVERSAL PRAYERS TO END HUMAN TRAFFICKING

Prepared by the Office for Catholic Social Justice Ministry's  
Human Trafficking Task Force

- That we, the Body of Christ, may strive to defeat the forces that enslave women, men and children in the commercial sex industry, *we pray to the Lord.*
- That all bodies of authority and society as a whole may address the systems that make human trafficking possible, *we pray to the Lord.*
- That Christ, Savior of the world, may guide and bless the efforts of those who devote time and energy in His name to ending human trafficking in Connecticut and elsewhere, *we pray to the Lord.*
- That the hearts of those who enslave others in trafficking may be transformed by God's love and mercy, *we pray to the Lord.*
- That victims of human trafficking may be freed and receive restorative loving care as they heal and reclaim their God-given dignity, *we pray to the Lord.*
